Scollay's building is so nearly demolished that we can begin to appreciate the vast improvement which its entire removal will make in that great centre of travel. We doubt if any one who was disposed to find fault with the city authorities for incurring the expense of this great public improvement would have the building put back for double the sum appropriated for its purchase. Pass-ing there yesterday we not ced an old, familiar sign, which has been there so long that it has become almost a part of the building itself—that of "S. R. Niles's Advertising Agency." For the past twenty years Mr. Niles has occupied rooms there, and had de-voted himself to the business of advertising on the Natchez and Jackson Railroad, in the newspapers of all parts of the country. During the long time he has not only built up a large and prosperous business, but has gathered to himself hosts of friends who will wish him continued success in his new ace from the interested counties, Gen. location, No. 6 Tremont Street. Advertislartin, as President of the Natchez and ling is, in fact, a science, and although it is oming to be recognized as a primary and unavoidable expense in the prosecution of any business enterprise, and sometimes the only capital in many undertakings, still there are but few who really appreciate its immense importance, or realize the wonders it is capable of performing. When managed with experience, judgment, skill, persistency and liberality, we do not believe there ever was an instance known dissipation where it did not yield most gratifying results. From our long business and personal connection with Mr. Niles, we know that he what does our board of Mayor and be relied upon—that he has been repeateddermen intend to do? And when do they | ly entrusted with the promulgation of great enterprises, and that he enjoys the confi dence and respect of the newspaper press and the public to an extent which it is an honor for any man to possess .- Boston Jour-
